

VOCHEI's ACCESSIBILITY STATEMENT

Effective Date: December 5, 2025

At Voice of Cabaret for Health, Education & Infrastructure, Inc. (hereafter "VOCHEI"), we are committed to ensuring that our website is accessible to everyone, including individuals with disabilities. We strive to adhere to the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards, which provide a comprehensive framework for improving web accessibility.

1. **Commitment to Accessibility:** We believe that all users should have equal access to the information and services provided on our website. Our goal is to create a welcoming online environment for people of all abilities.
2. **Ongoing Efforts:** We are continuously working to improve the accessibility of our website. This includes:
 - a. Regularly reviewing and updating our web content to ensure compliance with accessibility standards.
 - b. Incorporating accessibility features in our design, such as alt text for images, descriptive link text, and keyboard navigability.
 - c. Providing alternative formats for our content, upon request.
3. **Feedback:** We welcome feedback on the accessibility of our website. If you encounter any barriers or have suggestions for improvement, please contact us at:

VOCHEI, INC. P.O Box 789. 100 Randall Rd,
Wrentham MA 02093
VOCHEI@outlook.com | 617.444.9537

Your input is invaluable in helping us enhance the accessibility of our site for all users.

4. **Third-Party Content:** Please note that some content on our website may be provided by third parties and may not meet accessibility standards. We are working diligently to address these areas.
5. **Continuous Improvement:** As technology and accessibility standards evolve, we are committed to ongoing training and updating our practices. We continuously strive to improve the accessibility of all our programs and services.

6. **Compatibility:** We encourage users to utilize modern web browsers for the best experience. This may include the latest versions of Chrome, Firefox, Safari, or Edge, as they tend to have the best support for accessibility features.

Thank you for your understanding and support as we work to create a more inclusive online experience for everyone.
